

SERVICES WE OFFER

Apex Care LLC is proud to provide efficient programs that promote independent and improve the quality of life of those we serve through housing-related services. We help our clients achieve their goals and continue to be functional members of their communities.

Transitioning will help with:

- Developing a practical housing services plan
- Going through the process of finding appropriate resources
- Accessing independent housing and services
- Securing the safety of the new living arrangements.

Sustaining will help with:

- Align goals with the housing stabilization plan
- Establishing roles, rights, and responsibilities to maintain good relationships
- Extending access to community-based resources

We make sure our clients get the best services that suit their housing needs.

Passionate Staff

Our staff believes in the work they do and that they have a vested interest in the success of their company. And they know their contributions help drive that success.

WHAT IS HSS?

Housing Stabilization Services are provided to individuals who require support to live and function in the community. All Minnesotans with housing needs can benefit from this program as it offers solutions to keep themselves from the risks of homelessness and institutionalization. Individuals receiving the benefits of this person centered program are assessed and assisted according to their individual plans. Enrolled individuals receive sustaining services such as consultation, transition, and housing sustaining from eligible providers.

Who is eligible?

We take a unique, person-centered approach to meet our clients housing-related needs. To qualify for our housing stabilization services the individual must:

- Be 18 years or older
- Require medical assistance
- Have a documented disability or disabling condition
- Currently experiencing housing instability

All adults in Minnesota on Medicare who are experiencing housing instability are qualified to receive housing stabilization services. For more information about our eligibility requirements, don't hesitate to contact us at 612-422-1822
